This map of Edgewater represents an artist's conception of significant existing and proposed land uses as of March 2015. Said drawing is a pictorial representation only and is subject to change. Additionally no warranties or representations, express or implied, concerning the actual design, location or character of the facilities shown on this map are intended. This presentation graphic represents a compilation of datum obtained from maps, surveys and other documents provided to Kerry R. Gilbert & Associates, Inc. by other consultants relative to engineering and drainage, flood plains and environmental issues and should not be relied upon for any purpose. Unrestricted reserves may be developed or sold as single-family residential, multi-family residential, recreation areas, or commercial uses (which may include, but not limited to, churches, public service, schools, retail centers, office buildings and professional buildings). Completion of the Edgewater development may or may not occur. Buyers of property in Edgewater should not rely on the completion of the Edgewater development as shown on illustrations, depictions or maps. Edgewater has adopted guidelines for all commercial and residential land uses, including unrestricted reserves not owned by Edgewater.
